## The Week in iPhone Cases: iPhone 6 cases debut

Marco Tabini @mtabini, Emanuela Corso Sep 10, 2014 7:30 AM

### Coveroo

The [Switchback](#) (iPhone 6; \$35) feature interchangeable back plates that can be swapped to customize your case for every occasion—including the Batman-inspired option shown here.

Made of polycarbonate with an inner rubber lining for added protection, the case comes in a variety of different designs that are either laser-engraved or printed with a special process that offers extra durability.
